

# Elementary Field Trips

RCS identifies the importance and integral need of implementing elementary field trips in your child's educational experience!

RCS would love to continue the tradition of field trips! Field trips have been restructured to provide more hands-on and virtual opportunities. We ask you to please consider joining us in our efforts to continue the tradition of participating in K-5 field trips!

**Any donation is appreciated.**

Your tax-deductible contribution will be used to help offset the cost of creative and engaging district-sponsored field trips.
