

CEREAL DRIVE

supporting

Rochester Neighborhood House

Did you know?

March 7 is National Cereal Day!

Back in the day when your teachers were growing up, they used to read the back of cereal boxes for fun!

Let's support our local Rochester community by donating cereal to a wonderful charity. The class that raises the most will get to have a private reading event during school with Delilah & other Fur Angels.

Bring your (full) cereal boxes to the Long Meadow Media Center from March 7-11. We will have a fun celebration on Monday, March 14 to announce the winner!

You may even want to read the back before donating!
