

# 2023 End-of-the-Year School-Supply Collection

Donate your **gently used** school supplies to benefit  
RCS teachers, students and families.

Near the end of the school year, PTA volunteers will sort reusable items to be donated within the RCS community.

Collection boxes will be located in all RCS buildings during the final weeks of school.

Supplies left in classrooms or desks will be donated. Students should take items home if they want to keep them.

See your PTA president or rep for details and volunteer opportunities. All items will be sorted onsite at each school and delivered to the RCS Administration Building (located at 52585 Dequindre) in June.

RCS teachers, students and families will have the opportunity to "shop" from these free supplies. Details to follow.

## We will take these items and more:

- Partial crayons, colored pencils, pencils, pens
