WELLNESS WEEKEND

March 11-12, 2023

Rochester Community Schools is celebrating a districtwide, homework-free WELLNESS WEEKEND March 11-12, 2023.

All students, staff and families are encouraged to use this time to refresh, relax, unwind and enjoy a well-deserved break.

On the day of return, March 13, no classroom assignments will be due and no grades will be returned.

You are invited to unplug, be respectful of one another's free time, limit engaging in RCS business and be well!
